INFORMATION ON INTRAVENOUS SEDATION

If you are to receive intravenous sedation or anticipate their use, please note the following instructions:

- (1) Do **NOT** eat for **SIX** hours prior to surgery. You may have water up to **TWO** hours before your surgery.
- (2) You **MUST** have a responsible driver **OVER** the age of 18 to drive you to your appointment. And **THEY MUST REMAIN IN THE WAITING ROOM FOR THE DURATION OF YOUR SURGERY.**
- (3) Minors **MUST** be accompanied by a legal guardian.
- (4) A responsible person should remain with you at home for approximately 12 hours following your office surgery.
- (5) Unless otherwise instructed, take your normal medication with a sip of water.
- (6) Please wear clothing with short sleeves or loose fitting sleeves that can easily be pushed up above the elbow.
